

To enhance the lives of individuals
with Alzheimer's disease and other
dementias

coping with early memory loss

An orientation program for individuals recently diagnosed with memory loss and their family members and friends.

Coping with Early Memory Loss will help you fill in the gaps since your diagnosis of Mild Cognitive Impairment, Alzheimer's Disease, Vascular Dementia, Frontotemporal Dementia, or other related disorders. Medical and non-medical treatments will be discussed, and resources available to help will be explored.

Date: Friday, June 20th

Time: 1:00pm- 3:00pm

Place: Alzheimer's Association

473 South Street West #13

Raynham, MA 02767

The program is free, but pre-registration is required. Please call 800.272.3900 to register.
